

Remarks

Claims 1-24 remain in this application, with claims 1, 19 and 22 being independent claims.

The amendments are made to more particularly point out the invention.

No new matter is added by this amendment.

The present application claims priority to PCT Application PCT/GB2003/005190 filed 27 November 2003, which claims priority to British application serial no. 0227585.7 filed 27 November 2002.

It is respectfully requested that this preliminary amendment be entered for the purpose entering the U.S. National Stage. The Examiner is requested to contact the undersigned if he can assist in any way in expediting issuance of a patent.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 50-0869/GEML 4671-3 for any matter in connection with this communication, including any fee for extension of time, which may be required.

Respectfully submitted,

Date: 5/26/2005
